Rating Rationale

Acuite has reaffirmed the long-term rating of '**ACUITE B+**' (read as **ACUITE B plus**) on the Rs.7.10 crore bank facilities of Sasi Road Finishers and Engineering Contractors (SRFEC). The rating continues to be flagged as "Issuer Not-Cooperating" and is based on the best available information.

About the Company

SRFEC is a partnership firm established in 2006 by Mr. Sangeeth Kumar and Ms. Sasikala. The firm is registered as a Class I contractor with PWD, Tamil Nadu and is engaged in the construction of roads and buildings.

Non-cooperation by the issuer/borrower:

Acuite has been requesting for data, information and undertakings from the rated entity for conducting surveillance & review of the rating. However, the issuer/borrower failed to submit such information before the due date. Acuite believes that information risk is a critical component in such ratings, and noncooperation by the issuer along with unwillingness to provide information could be a sign of potential deterioration in its overall credit quality. This rating is, therefore, being flagged as "Issuer not-cooperating", in line with prevailing SEBI regulations and Acuite's policies.

Limitation regarding information availability:

The rating is based on information available from sources other than the issuer/borrower (in the absence of information provided by the issuer/borrower). Acuite endeavored to gather information about the entity/industry from the public domain. Therefore, Acuite cautions lenders and investors regarding the use of such information, on which the indicative credit rating is based.
