### Rating Rationale

Acuité has reviewed the long term rating of 'ACUITE B+' (read as ACUITE B plus) and the short term rating of 'ACUITE A4' (read as ACUITE A four) on the Rs. 11.00 crore bank facilities of V. Ram Chandra Iron & Steel Private Limited (VRPL). The rating continues to be flagged as "Issuer Not-Cooperating" and is based on the best available information.

### About the Company

Agra-based, VRPL was incorporated in 1993 by Mr. Rajeev Jain and Mr. Sanjeev Jain. The company provides handling and transportation services to various companies including Rashtriya Ispat Nigam Limited and Jindal Steel and Power Ltd. The rating downgrade takes into account the decline in revenues, deterioration in profitability and coverage indicators. However, the rating is supported by an experienced management and reputed clientele.

### Non-cooperation by the issuer/borrower:

Acuité has been requesting for data, information and undertakings from the rated entity for conducting surveillance & review of the rating. However, the issuer/borrower failed to submit such information before the due date.

This rating is therefore being flagged as "Issuer not-cooperating", in line with prevailing SEBI regulations and Acuité's policies.

### Limitation regarding information availability:

The rating is based on information available from sources other than the issuer/borrower (in the absence of information provided by the issuer/borrower). Acuité endeavoured to gather information about the entity/ industry from the public domain. Therefore, Acuité cautions lenders and investors regarding the use of such information, on which the indicative credit rating is based.
