#### Rating Rationale

SMERA has assigned rating of '**SMERA D' (read as SMERA D)** on the Rs.16.09 crore bank facilities of SRT Educational & Charitable Trust (SRT).

The rating reflects delays in serving of term debt obligations.

The trust, established in 2009, runs Madurai Institute of Engineering and Technology, an engineering college in Madurai. It offers various graduate, post graduate and diploma courses in engineering and electronics.

#### List of key rating drivers and their detailed description

##### Strength:

**Experienced management:** The promoters, Mr Su. Thirunavukkarasar, Mr. T Ramachandran and Mr. T R Karpakam have more than a decades experience in the education industry.

##### Weaknesses:

**Delays in payment of debt obligations:** The rating factors in delays in servicing of debt obligations due to a stretched liquidity position.

**Weak financial risk profile:** The weak financial risk profile is marked by negative gearing of 6.91 times, low interest coverage of 0.11 times, low DSCR of 0.11 times and negative networth of Rs.3.09 crore in FY2016. The negative networth is on account of continuous net losses in the last three years ended FY2016, which resulted in erosion of network.

**Analytical approach:** SMERA has considered the standalone business and financial risk profiles of the trust.
