### Rating Rationale

Acuité has reviewed the long-term rating of 'ACUITE B+' (read as ACUITE B plus) on the Rs. 5.60 crore bank facilities of Nahal Poultry Farm. The rating continues to be flagged as "Issuer Not-Cooperating" and is based on the best available information.

### About the Company

Punjab-based, Nahal Poultry Farm (NPF) was established in the year 1980 as a proprietorship firm by Mr. Jaswinder Singh. The firm is engaged in the business of trading of eggs and cull birds. The ratings continue to draw comfort from the experienced promoters and moderate financial risk profile. However, the aforementioned strengths are partially offset by the small scale of operation, stretched working capital cycle and highly fragmented in the domestic industry.

### Non-cooperation by the issuer/borrower:

Acuité has been requesting for data, information and undertakings from the rated entity for conducting surveillance & review of the rating. However, the issuer/borrower failed to submit such information before due date.

This rating is therefore being flagged as "Issuer not-cooperating", in line with prevailing SEBI regulations and Acuité's policies.

### Limitation regarding information availability:

The rating is based on information available from sources other than the issuer/borrower (in the absence of information provided by the issuer/borrower). Acuité endeavoured to gather information about the entity/ industry from the public domain. Therefore, Acuité cautions lenders and investors regarding the use of such information, on which the indicative credit rating is based.
