Linear Enterprises (LE), established in 1991, is an Aurangabad-based proprietorship concern engaged in the repair and maintenance of switchgears and other machinery parts. The firm undertakes contracts (installation, repairing, servicing, commissioning and erection testing) on turnkey basis. **Non-cooperation by the issuer/borrower:**

Acuite has been requesting for data, information and undertakings from the rated entity for conducting surveillance & review of the rating. However, the issuer/borrower failed to submit such information before the due date.

**Limitation regarding information availability:**

The rating is based on information available from sources other than the issuer/borrower (in the absence of information provided by the issuer/borrower). Acuite endeavored to gather information about the entity/industry from the public domain. Therefore, Acuite cautions lenders and investors regarding the use of such information, on which the indicative credit rating is based.
