### Rating Rationale

Acuité has downgraded and withdrawn the long-term rating to '**ACUITE BB+**' (read as ACUITE double B plus) from '**ACUITE BBB+**' (read as ACUITE triple B plus) and the short term rating to '**ACUITE A4+**' (read as ACUITE A four plus) from '**ACUITE A2**' (read as ACUITE A two) on the Rs.70.00 crore bank facilities of Suncity Strips and Tubes Private Limited. This rating is now withdrawn and indicative and is based on best available information.

The rating is being withdrawn on account of request received from the company and NOC received from the banker.

Suncity Strips and Tubes Private Limited (SSTPL) based out of Rajasthan, was incorporated in 2009 by Mr. Mahaveer Agarwal and Mr. Harish Agarwal. SSTPL is engaged in manufacturing stainless steel coils, Electric-Resistance-Welded (ERW) pipes and tubes as well as SS circles, tubes and pipes. The company has a manufacturing plant in Jodhpur with an installed capacity of 17000 Metric Tonnes Per Annum.

#### Non-cooperation by the issuer/borrower

Acuité has been requesting for data, information and undertakings from the rated entity for conducting surveillance & review of the rating. However, the issuer / borrower failed to submit such information before due date.

Acuité believes that information risk is a critical component in such ratings, and non-cooperation by the issuer along with unwillingness to provide information could be a sign of potential deterioration in its overall credit quality.

This rating is therefore being flagged as "Issuer not-cooperating", in line with prevailing SEBI regulations and Acuité's policies.

#### Analytical Approach

ACUITE has considered the consolidated view of business and financial risk profiles of Suncity Strips and Tubes Private Limited (SSTPL), Suncity Sheets Private Limited (SSHPL), Suncity Alloys Private Limited (SAPL), Suncity Metals Private Limited (SMPL) and Suncity Strips Private Limited (SSPL) hereinafter referred as Suncity Group. The consolidation is mainly on account of similarity in the line of business, strong operational & financial synergies, common management and stated intent of management to merge these entities in the near term.

#### Limitation regarding information availability

The rating is based on information available from sources other than the issuer / borrower (in the absence of information provided by the issuer / borrower). Acuité endeavored to gather information about the entity / industry from the public domain. Therefore, Acuité cautions lenders and investors regarding the use of such information, on which the indicative credit rating is based.
