Rating Rationale

SMERA has assigned a long term rating of **SMERA B (read as SMERA B)** and a short term rating of **SMERA A4 (read as SMERA A four)** to the Rs. 15.50 crore bank facilities of Siddhanth Vedant Cold Storage Private Limited (SVCSPL). The outlook is '**Stable**'.

Incorporated in 2017 - Siddhanth Vedant Cold Storage Private Limited (SVCSPL) is a Hoogly(West Bengal) based company engaged in provides cold storage facilities for agricultural products, i.e., potatoes with an installed capacity of 167000 quintals annually. The company is promoted by Mr. Jayanta Chatterjee, Mr. Raja Chakraborty and Ms. Koyana Chakraborty. The operations have commenced operation during June, 2017.

Key Rating Drivers

Strengths

• Experienced Management

The promoters have extensive experience of over two decades in the cold storage business. The promoter, Mr. Raja Chakraborty has experience of about two decades in the cold storage industry. Mr. Jayanta Chatterjee has more than a decade of experience in this industry. The extensive experience of the management will help the company in the medium term.

Weaknesses

• Regulation of prices

The limits on selling price of agriculture products are fixed by the state government. As a result, the revenue growth depends on the changing government policies. However, the company expects to have three sources of income- rental income, interest income, and the rest from trading of potatoes.

• Intense competition

The company faces competition from other organized and unorganized players in the market.

• Off-take risk

The operations have commenced operation during June, 2017. However, the promoters are from agricultural background, they have good relationship with farmers from whom the firm can procure raw materials.

Outlook: Stable

SMERA believes that Siddhanth Vedant Cold Storage Private Limited (SVCSPL) will benefit from the long standing experience of its management in the food and agro business. The outlook may be revised to positive if the firm achieves the projected scale of operations and profitability. Conversely, the outlook may be revised to negative in case of the company unable to ramp up operation thereby registering revenue and profitability lower than projected.

Analytical Approach

While arriving at the rating, SMERA has considered the standalone business and financial risk profile of the

company.
