### Non-cooperation by the issuer/borrower:

Acuite has been requesting for data, information and undertakings from the rated entity for conducting surveillance & review of the rating. However, the issuer / borrower failed to submit such information before the due date.

Acuite believes that information risk is a critical component in such ratings, and noncooperation by the issuer along with an unwillingness to provide information could be a sign of potential deterioration in its overall credit quality.

### Limitation regarding information availability:

The rating is based on information available from sources other than the issuer/borrower (in the absence of information provided by the issuer/borrower). Acuite endeavored to gather information about the entity/industry from the public domain. Therefore, Acuite cautions lenders and investors regarding the use of such information, on which the indicative credit rating is based.
