Rating Rationale

Acuité has downgraded the long term rating of '**ACUITE BB+**' (read as **ACUITE double B plus**) to '**ACUITE BB**' (read as **ACUITE double B**) and reviewed the short term rating of '**ACUITE A4+**' (read as **ACUITE A four plus**) on the Rs.71.00 crore bank facilities of Jandu Construction Company (JCC). This rating is now an indicative rating and is based on the best available information.

The rating is being withdrawn on request from the client and the NOC received from the banks.

The Haryana based Jandu Construction Company (JCC) was established in 2005. The Partnership firm is engaged in the construction of roads and bridges. The firm caters only to government projects and is entirely based on the tender system. Also, the firm is Class I contractor of PWD (Public Works Department).

Non-cooperation by the issuer/borrower:

Acuité has been requesting for data, information and undertakings from the rated entity for conducting surveillance & review of the rating. However, the issuer/borrower failed to submit such information before the due date.

This rating is, therefore, being flagged as "Issuer not-cooperating", in line with prevailing SEBI regulations and Acuité's policies.

Acuité believes that information risk is a critical component in such ratings, and non-cooperation by the issuer along with unwillingness to provide information could be a sign of potential deterioration in its overall credit quality.

Therefore, Acuité cautions lenders and investors regarding the use of such information, on which the indicative credit rating is based.
