The company has further expansion plan of commencement of manufacturing of TMT bars.

Analytical Approach

Acuité has considered the standalone business and financial risk profiles of HRIPL arrive at this rating.

Non-cooperation by the issuer/borrower

Acuité has been requesting for data, information and undertakings from the rated entity for conducting surveillance & review of the rating. However, the issuer/borrower failed to submit such information before the due date.

Acuité believes that information risk is a critical component in such ratings, and non-cooperation by the issuer along with an unwillingness to provide information could be a sign of potential deterioration in its overall credit quality.

This rating is, therefore, being flagged as "Issuer not-cooperating", in line with prevailing SEBI regulations and Acuité's policies.

Applicable Criteria

- Default Recognition-<https://www.acuite.in/view-rating-criteria-52.htm>
- Financial Ratios and Adjustments - <https://www.acuite.in/view-rating-criteria-53.htm>
- Manufacturing entities - <https://www.acuite.in/view-rating-criteria-59.htm>

Limitation regarding information availability

The rating is based on information available from sources other than the issuer/borrower (in the absence of information provided by the issuer/borrower). Acuité endeavoured to gather information about the entity/industry from the public domain. Therefore, Acuité cautions lenders and investors regarding the use of such information, on which the indicative credit rating is based.
