#### Rating Reaffirmed and Reaffirmed & Withdrawn

Product	Quantum (Rs. Cr)	Long Term Rating	Short Term Rating
Bank Loan Ratings	2.50	ACUITE BBB-   Reaffirmed & Withdrawn	-
Bank Loan Ratings	84.00	ACUITE BBB-   Stable   Reaffirmed	-
Total Outstanding Quantum (Rs. Cr)	84.00	-	-
Total Withdrawn Quantum (Rs. Cr)	2.50	-	-

#### Rating Rationale

Acuite has reaffirmed the long-term rating of '**ACUITE BBB-**' (read as **ACUITE triple B minus**) on the Rs.84.00 Cr. bank facilities of Prabhu Steels (PS). The outlook is '**Stable**'. And also, Acuite has reaffirmed and withdrawn the long-term rating of '**ACUITE BBB-**' (read as **ACUITE triple B minus**) on the Rs.2.50 Cr. bank facilities of Prabhu Steels (PS). The rating is being withdrawn on account of the request received from the company and the NOC received from the banker as per Acuite's policy on withdrawal of ratings.

#### Rationale for reaffirmation of ratings

The rating continues to drive comfort from the extensive experience of the promoters in the line of business, established relationships with its customer and supplier base, moderate financial risk profile and working capital management along with adequate liquidity position and expected improvement in operating income in FY2022 as against FY2021. The rating nonetheless remains constrained on account of lack of stability in its profitability indicators and the impact of which on its coverage indicators during the FY2019-21 period and susceptibility of the performance of the company on the steel prices due to lack of hedging mechanisms.

#### About Company

Kerala based, Prabhu Steels (PS) was established as a partnership firm in 1996. The entity is the sole authorized distributor of TATA Steels Limited products in Kerala. The products are mainly TMT Bars, Tubes, Sheets, Doors, and Windows. The partners of the firm are Mr. Manoj Prabhu and Mrs. Rajasree Prabhu.

#### About the Group

Kerala based, Prabhu Group (PG) comprises of Prabhu Steels (PS), Vitson Steel Corp Private Limited (VSCPL), Veeyem Distributors Private Limited (VDPL), and Promoten. PG is promoted by Prabhu Family since 1996. The group is the authorized distributor of steel products for TATA Steel Limited and JSW Steel Limited and Jindal Steel and Power Limited (JSPL) in multiple regions across Kerala.

### **Vitson Steel Corp Private Limited**

Kerala based, Vitson Steel Corp Private Limited (VSCPL) was incorporated in 2012 as a private limited company. The entity is the authorized distributor of the JSW Steels Limited products such as JSW Neo Steel TMT Bars in Central & South Kerala. The directors of the company are Mr. Ramesh Prabhu and Mrs. Rajasree Prabhu.

### **Veeyem Distributors Private Limited**

Kerala based, Veeyem Distributors Private Limited (VDPL) was incorporated in 2016 as a private limited company. The entity is the authorized distributor of JSW Steels Limited products such as JSW Neo Steel TMT Bars in North Kerala. ### **Promoten**

Kerala based Promoten was established in 2017 as a partnership firm and started its operations in 2019. The firm is an authorized distributor of Jindal Steel and Power Limited (JSPL) - TMT bars products in Kerala. The partners of the firm are Mr. Manoj Prabhu and Mrs. Rajasree Prabhu.

## **Analytical Approach**

### **Extent of Consolidation**

- Full Consolidation

### **Rationale for Consolidation or Parent / Group / Govt. Support**

Acuité has considered the consolidated view of business and financial risk profiles of Prabhu Steels (PS), Vitson Steel Corp Private Limited (VSCPL), Veeyem Distributors Private Limited (VDPL), and Promoten to arrive at the rating. The consolidation is in view of a common line of business, common management, and significant financial linkages between the entities. The group is herein referred to as Prabhu Group (PG).

## **Key Rating Drivers**

### **Strengths**

#### **Established track record of operations supported by experienced promoters and management**

PG is led by Mr. Manoj Prabhu, Mr. Ramesh Prabhu, and Mrs. Rajasree Prabhu who have experience of over two decades in the steel industry helping them build long-standing and established relationships with its customer and supplier base across Kerala.

PG entities are exclusive distributors of TMT bars Tubes, Sheets, Doors, and Windows for TATA Steel Limited, and TMT bars for JSW Steel Limited & JSPL across different regions in Kerala. PS is an authorized distributor of TATA Steel Limited products in Kerala, VSPL is an authorized distributor of TMT bars of JSW Steel Limited in Central and South Kerala, VDPL is an authorized distributor of TMT bars of JSW Steel Limited in North Kerala, whereas Promoten is an authorized distributor of TMT bars for JSPL in Kerala. Thus, the group is able to cater to wider customer requirements across Kerala.

Acuité believes that PG will sustain its existing business profile on the back of an established track record of operations and experienced management.

### **Moderate financial risk profile**

PG has a moderate financial risk profile marked by healthy net worth, moderate gearing, and coverage indicators. The tangible net worth improved to Rs.96.88 crore as on March 31, 2021, as against Rs.88.70 crore as on March 31, 2020. Debt levels increased in FY2021 on the back of covid assistance loans and vehicle loans availed by PG. Debt profile majorly comprises of working capital limits availed by PG. Gearing (Debt to Equity) has albeit improved marginally to 1.51 times as on March 31, 2021, as against 1.61 times as on 31 March 2020 supported by accretion of profits to reserves.

Coverage indicators have strengthened on a Y-O-Y basis marked by Interest Coverage Ratio (ICR) of 2.21 times for FY2021 as against 1.73 times for FY2020. The debt to EBITDA levels continued to remain high at 5.59 times for FY2021 as against 5.43 times for FY2020 mainly due to lower margins on account of the trading nature of business.

Acuité believes the financial risk profile is expected to remain stable in the near to medium term in the absence of any major debt-funded capex.

### **Moderate Working capital requirements**

PG has moderately managed working capital requirements marked by Gross Current Assets (GCA) of 123 days for FY2021 as against 108 days for FY2020. PG's main requirement of working capital is towards its Inventory and Debtors. Through each group entity purchases from its respective principal's, the credit period is less in trading and distribution and has ranged from 10-15 days in the past.

PG liquidates the inventory within 45 days and credit offered to its customers ranges from 60-75 days. The total operating cycle is around 75 Days. The debtors' collection period stood at 48 days for FY2021 as against 46 days for FY2020 while the inventory-holding period stood at 43 days for FY2021 as against 42 days for FY2020. However, the average bank limit utilization stood at ~70 percent for 6-month ended December 2021.

### **Weaknesses**

#### **Uneven profitability trend**

PG reported moderation in the operating performance in FY2021 and FY2020 due to the impact of the covid-19 pandemic. The operating income stood at Rs.642.10 Cr. in FY2021 as against Rs.711.31 Cr. in FY2020 and Rs.756.42 Cr. in FY2019. Revenue till December (YTD – FY2022) stood at ~Rs.552.60 Cr.

The profitability indicators have witnessed fluctuation during the FY2019-21 period marked by an Operating (EBITDA) margin of 4.05 percent for FY2021 as against 3.69 percent for FY2020 and 3.91 percent for FY2019, PAT margins follow a similar trend marked by 1.22 percent in FY2021 as against 0.88 percent in FY2020 and 1.31 percent in FY2019.

### **Susceptibility to cyclical nature of the industry and competitive nature of the industry**

Steel consumption is majorly dependent on the economic activities taking place in and around the country. The end-user industry being Infrastructure and Real Estate, any significant slowdown in these industries will affect the revenues of steel players. Further, PG competes with various players in the organized and unorganized segments in the steel trading industry, thus limiting the pricing power.

### **Rating Sensitivities**

- Significant improvement in scale of operations, while maintaining its profitability margins.
- Deterioration in the working capital cycle leading to stress on the debt protection metrics or the liquidity position of the entity.

### **Material Covenants**

None

### **Liquidity Position: Adequate**

PG has an adequate liquidity position marked by adequate net cash accruals vis-a-vis its maturing debt obligations. The group generated net cash accruals of Rs.10.36 crore for FY2021, while its maturing debt obligations stood at ~Rs.1.61 crore for the same period. The cash accruals of the group are expected to be in the range of ~Rs.10.00-16.00 crore during the FY2022-24 period against maturing debt obligations in the range of ~Rs.3.00 crore during the same period.

PG has moderately managed working capital operations marked by GCA days of 123 days for FY2021. Further, PG maintains cash and bank balances of Rs.27.67 crore as on March 31, 2021. The current ratio stood at 1.41 times as on March 31, 2021, while the average bank limit utilization stood at ~70 percent for the 6-month period ended December 2021.

### Outlook: Stable

Acuité believes that PG will maintain a 'Stable' outlook over the near to medium term on the back of its established track record of operations and experienced management. The outlook may be revised to 'Positive' in case the group registers higher-than-expected growth in its revenues and profitability while maintaining its liquidity position. Conversely, the outlook may be revised to 'Negative' in case the group registers lower-than-expected growth in revenues and profitability or in case of deterioration in the group's financial risk profile or significant elongation in the working capital cycle.
