Rating Rationale

Acuité has reaffirmed the long-term rating of 'ACUITE B+' (read as ACUITE B plus) on the Rs. 6.00 crore bank facilities of Sri Niketan Silks (SNS). The rating is flagged as "Issuer Not-Cooperating" and is based on best available information.

About the Company

Tamil Nadu-based, SNS was established as a proprietorship firm in 2012. The firm is engaged in wholesale trading of Kanchipuram silk sarees. The firm is promoted by Mr. M. Pravin Jain.

Non-cooperation by the issuer/borrower

Acuité has been requesting for data, information and undertakings from the rated entity for conducting surveillance & review of the rating. However, the issuer/borrower failed to submit such information before the due date. Acuité believes that information risk is a critical component in such ratings, and noncooperation by the issuer along with an unwillingness to provide information could be a sign of potential deterioration in its overall credit quality.

Limitation regarding information availability

The rating is based on information available from sources other than the issuer/borrower (in the absence of information provided by the issuer/borrower). Acuité endeavored to gather information about the entity/industry from the public domain. Therefore, Acuité cautions lenders and investors regarding the use of such information, on which the indicative credit rating is based.
