# **Rating Rationale**

Acuité has reaffirmed its long-term rating of 'ACUITE A+' (read as ACUITE A Plus) in the Rs.4400 Cr. non convertible debentures of EDELWEISS FINANCIAL SERVICES LIMITED. The rating is placed under rating watch with negative implication.

## **Ratinale for the rating:**

Acuite acknowledges the divestment of a 7.14 percent stake in Nuvama Wealth Management Limited by Edelweiss Financial Services for Rs 1,759 crore. Additionally, Acuite notes the Reserve Bank of India's (RBI) decision to lift the business restrictions previously imposed on ECL Finance Limited and Edelweiss Asset Reconstruction Company Limited. Acuite team has taken cognizance of this development and are still in the process of assessing the business and financial impact on the ARC business. Acuite will keep on monitoring the same for its implications on the operational and financial performance of the company along with impact on financial flexibility.

The rating continues to derive its strength from an increase in earnings from operating activities which stood at Rs. 528.04 Cr. in FY24 from Rs. 405.56 Cr. in FY23. The earning profile is largely supported by fair value gains from asset revaluation. The management continues to focus primarily on fee-based businesses, accordingly, there has been a consistent decline in the group loan book along with ongoing concerns on the asset quality of the existing lending portfolio, particularly its wholesale book which is concentrated towards real estate assets. The stage 3 assets in the lending portfolio stood at Rs. 720 Cr.(13.00%) as on March 31, 2024 from Rs. 794 Cr. (10.52%) as on March 31, 2023 (As per the revised data provided by the group).

Nevertheless, the rating continues to factor Edelweiss Group's established track record in financial services, adequate capitalization levels and comfortable liquidity profile. The rating takes cognizance of the Group's strategic intent on re-building its retail loan franchise with focus on the co-origination model, which will keep it asset light and provides granularity to loan portfolio. The rating factors in the growth in the Mutual Fund AUM, Alternative assets and the growth in number of policies issued in the insurance business. Acuite also notes that the insurance business has reached an Embedded Value breakeven, but it is expected to take a few more years and infusions from the parent before turning profitable. The rating also takes into consideration the group's reducing debt and demonstrated resource raising ability. Acuite believes demonstrating sustainable improvement in profitability from the regular course of business operations and revenue streams in the evolving operating environment along with improvement in the asset quality would remain key rating monitorable.

# **Analytical Approach**

## **Extent of Consolidation**

•Full Consolidation

# Rationale for Consolidation or Parent / Group / Govt. Support

Acuite has adopted a consolidated approach on Edelweiss Financial Services Limited (EFSL) along with its subsidiaries and associates collectively referred to as 'Edelweiss group'(refer Annexure 2 for list of entities). The approach is driven by common promoters, shared brand name, significant operational and financial synergies between the companies. Acuite has rated secured NCDs as well as perpetual NCDs issued by Edelweiss group companies. It is pertinent to note that, Unsecured Subordinated Non-Convertible Debentures (i.e. Perpetual NCDs) are rated at a lower level vis-à-vis the regular secured debt instruments. This is in view of the significant loss absorption characteristics associated with these perpetual instruments. The issuer may be required to skip/defer the coupon/interest payment in case of certain events such as decline in CAR below regulatory thresholds.

# **Key Rating Drivers**

## Strength

## Strong parentage

Edelweiss Group is promoted by Mr. Rashesh Shah and Mr. Venkat Ramaswamy, who are seasoned professionals in the financial services industry with over two decades of experience. The promoters are supported by experienced professionals who are into financing, wealth, and asset management businesses. The group has a diverse business profile in financial services with presence in segments such as retail credit (including agrifinance), wholesale lending, warehousing services, asset reconstruction, asset management and insurance business. The various verticals of the group as mentioned above are now under the following broad categories i.e. Credit (retail and corporate), Asset Management, Asset Reconstruction and Insurance (life and general). The Group had consolidated loan book of Rs. 4854 Cr. as on March 31, 2024 as against Rs 6907 Cr. which retail credit is Rs. 3347 Cr. and wholesale credit at Rs.593 Cr. The wholesale segment comprised loans to realtors and structured Credit.

The Group has been attempting to gradually increase its exposure to retail segment and has entered in to deals with multiple banks for lending under co-origination model. It has taken several steps to reduce its exposure to the wholesale segment and reorient the portfolio toward small and mid-corporate lending segments. Besides the fund-based activities, Edelweiss Group also has an established franchise in asset management. The group had completed sale of its majority stake in wealth management business to PAG. As on March 31, 2023, the group had customer assets of about Rs.4,13,800 Cr. (about Rs. 3,57,700 Cr. as on March 31,2022). Most of the businesses of the group present significant synergies amongst themselves and growth potential both on the assets and liabilities side. The access to a pool of HNIs can be leveraged to create fund-based structures which can be utilized to support the AUM growth of the group. Acuité believes Edelweiss group's established position in financial services and diversified range of fee and fund-based product offerings will continue to support its business risk profile.

# **Diversified funding profile**

The group's financial flexibility is supported by its demonstrated ability to mobilise resources from diversified set of investors across domestic banks, Institutional investors and lenders, foreign investors and domestic retail investors amongst others. The Group has attracted investments from reputed international investors such as CDPQ (Caisse de dépôt et placement du Québec), and PAG Asia. In the past, the Group also raised capital from KORA Management and Sanaka Capital. In July 2021, the Group announced stake sale of 70%, subject to regulatory approvals, in its insurance broking business to existing investor, Gallagher Insurance for consideration of ~Rs.308 Cr. As on March 31, 2023, borrowings stood at Rs.21,791.92 Cr. The group has raised ~Rs. 7909 Cr. in FY23 through public and private NCDs, Structured NCDs, CPs and bank borrowings. Acuité expects the Group to continue to benefit from diversified funding mix across domestic banks, Institutional investors and lenders,

foreign investors and domestic retail investors amongst others.

## Adequate gearing levels and liquidity buffer

As on March 31st, 2024 the Group's net worth stood at Rs.6049.29 Cr. (Rs. 7,846.23 Cr. as on March 31, 2023) Concomitantly, capital adequacy of the NBFC business stood at 34.3 percent and HFC stood at 32 percent as on March 31, 2023.

# Weakness

# Moderate earning profile

The Group reported profit after tax of Rs. 528.04 Cr. in FY2024 which improved against 405.56 Cr. from FY2023 and Rs. 212.07 Cr. in FY2022. The earning profile continued its dependency on fair value gains from asset revaluation and sale of businesses. The group have been reporting modest ROA, which has continuously been less than 1.00%. Acuité also takes notes of several measures taken by the Group to rationalize cost and improve profitability including co-origination model for building retail portfolio and focus on non-fund business streams. Acuité believes that Group's ability to sustain improvement in earnings profile from regular course of business in the current operating environment coupled with the intense competition in the retail segment will be key rating monitorable.

# Constant pressure on asset quality

While the decline in loan book continued, the asset quality indicators worsened due to a lower base. As per the revised data, the Group's Gross stage 3 assets (GNPAs) at Rs 720 Cr. (13.00% of lending book) on March 31,2024 as against Rs. 794 Cr. (10.52% of lending book) on March 31, 2023. The NNPA stood at Rs 125 Cr. (2.25%) and the provisioning stood at Rs. 156 Cr. (2.06 % of lending book). As on September 30, 2023, the Gross Stage 3 further moderated to 12.12 percent on account of degrowth in the book. Given that  $\sim$ 31% of the lending portfolio is still in the stage 2 bucket and the vulnerability in the wholesale lending book due to the exposure to real estate sector, the pressure on asset quality is likely to remain. The top 20 exposures accounted for  $\sim$ 30% of the interprojects. The cash flows of these realtors and the quality of these exposures is linked to the revival in the real estate cycle. The group has already initiated steps to prune its exposure to the wholesale segment through various initiatives such as slowing down fresh sanctions and sell down of existing assets to dedicated funds and ARCs. Acuité believes that the Group's ability to attain any significant improvement in asset quality amidst current economic environment will remain a key rating sensitivity.

## **Reduced diversity of the group business**

There is a shift from the fund-based business model to non-fund based business by the group. This has impacted the revenue streams of the group. Owing to the stake sale, the share wealth business (EWM)a has been diluted to  $\sim$ 44 percent and after the issuance of share to Edelweiss shareholders it will be further diluted to  $\sim$ 14 percent by the end of August, 2023. The insurance business has a long gestation period. The income streams from the capital based business of the group has been generating losses continuously. This provides less stability to the income profile of the group where the ARC business, which is the key driver, is susceptible to the cyclicity and volatility of the industry and regulatory environment.

#### **ESG Factors Relevant for Rating**

Edelweiss Group offers a bouquet of financial services to a diversified client base across domestic and global geographies. The Group has presence in segments such as retail credit (including agri-finance), wholesale lending, warehousing services, asset reconstruction, asset management and insurance business.
