#### **Rating Rationale**

Acuité has reaffirmed its long-term rating of **ACUITE AA+ (read as ACUITE double A plus)** on the Rs.212.88 Cr. Non-Convertible Debentures of PFL. The outlook is revised from **Stable** to **Positive**. Acuité has reaffirmed & withdrawn its long-term rating of **ACUITE AA+ (read as ACUITE double A plus)** on the Rs. 188.52 Cr. non-convertible debentures of Poonawalla Fincorp Limited (PFL). The rating withdrawal is in accordance with Acuité's policy on withdrawal of rating. The rating is being withdrawn on account of the request received from the company and the NOC/No Dues received from the banker as per Acuité's policy on withdrawal of ratings.

The revision in outlook is primarily on account of substantial improvement in earning profile, healthy growth in AUM along with improving asset quality. The earnings profile of PFL witnessed improvement in FY2022 on a consolidated basis (PFL & Poonawalla Housing Finance Limted (PHFL)) as reflected in PAT of Rs. 375.41 Cr. as compared to loss of Rs. 558.96 Cr. for FY2021. For Q1FY23, PAT stood at Rs. 141 Cr. up 18.5 percent QoQ and up 118.3 percent YoY, which resulted in a RoA of 3.4 percent for the same period. The rating action also draws comfort from significant improvement in asset quality with Gross Stage 3 and Net Stage3 at 2.2 percent and 0.95 percent respectively as on June 30, 2022, as against 2.7 percent and 1.1 percent respectively as on March 31, 2022 (3.7 percent and 1.2 percent for FY2021 respectively). Acuite expects further improvement in asset quality with Gross Stage 3 and Net Stage 3 around 1.6 and 0.9 percent by the end of September 2022.

The rating continues to factor in expertise and experience of board and management team with Mr. Adar Poonawalla as the Chairman and non-executive director of the ten-member board comprising five independent non-executive directors. The rating also takes into account the strong promoter group viz. Cyrus Poonawalla group, whose flagship company, Serum Institute of India Private Limited exhibits very strong financial flexibility. PFL's credit profile further derives strength from its long and established presence of nearly three decades in retail financing and sequential uptick in disbursements coupled with business transformation initiatives such as realigning product mix, revised credit policies, digital focus etc. The rating also factors in growth in loan portfolio to Rs 16,579 Cr as on March 31, 2022 as compared to Rs. 15,228 Cr. as on March 31, 2021 owing to healthy disbursement levels. The total disbursements stood at Rs. 9,494 Cr. for FY2022. The AUM further grew to Rs. 17,660 Cr as on June 30, 2022 with disbursements amounting to Rs. 3,436 Cr for Q1FY2023.

These strengths are partially offset by limited seasoning of the new portfolio and relatively moderate scale of operations. PFL has realigned its product offering by discontinuing certain product lines like new car/CV/CE and used CV/CE. The dis-continued product lines, which contributed to around 36 percent of the AUM as of June 30, 2021, subsequently reduced to under 10 percent. Due to substantial growth in loan book in recent quarters the new portfolio generated has limited seasoning.

While Acuité takes cognizance of various structural and business transformation initiatives undertaken, PFL's ability to grow its AUM in a sustained manner while maintaining healthy asset quality & profitability will remain key rating monitorable.

#### **Analytical Approach Extent of Consolidation**

Full Consolidation

## Rationale for Consolidation or Parent / Group / Govt. Support

Acuité has taken a consolidated view on PFL and its subsidiary namely Poonawalla Housing Finance Limited (PHFL). The consolidation is in view of the shared brand, common managerial team along with strong operational and financial synergies among the group companies. Further, Acuité has also factored in the support expected from the new promoter, RSHPL (Cyrus Poonawalla Group) given its controlling ownership of 61.49 percent in PFL besides shared brand name.

#### **Key Rating Drivers Strength**

### Strong promoter viz. Poonawalla Group

In FY2022, Cyrus Poonawalla Group, through RSHPL took controlling ownership of 61.49 percent in PFL via capital infusion of Rs. 3,206 Cr. RSHPL is owned and controlled by Mr. Adar Poonawalla who is also the CEO of Serum Institute of India Pvt. Ltd. (SII). The Group has diversified business interests in Pharmaceuticals & Biotechnology, Finance, Clean Energy, Hospitality & Realty and Aviation. The Group's flagship company, SII, is ranked as the world's largest vaccine manufacturer and India's No. 1 biotechnology company by number of doses produced and sold globally. SII has a robust financial profile with minimal debt and strong cash flows. SII reported total operating income (TOI) of Rs. 25,634 Cr with PAT of Rs. 10,849 Cr in FY22 and has a networth base of Rs. 32,689 Cr. as on March 31, 2022. Acuité believes that PFL is of strategic relevance to the Group given the size of the investment made by the group and shared name. Through this acquisition, the Group has diversified its business by gaining strong presence in retail lending, housing finance and general insurance segments.

### Strong capitalization & improved financial flexibility

PFL's capitalisation levels have considerably improved at the consolidated level post capital infusion of Rs.3,456 Cr. on a preferential basis in FY2022 as depicted by networth of Rs. 6058 Cr. as on March 31, 2022 as against Rs. 2,194 Cr. as on March 31, 2021. As a result, PFL's Capital Adequacy Ratio (CAR), on a standalone basis, rose sharply to 49.10 percent as on March 31, 2022 from 20.30 percent as on March 31, 2021 and the gearing reduced to 1.18 times as on March 31, 2022 from 4.8 times as on March 31,2021. PFL witnessed improvement in earning profile in FY2022 on a consolidated basis as reflected in PAT of Rs. 375.41 Cr. as compared to losses of Rs. 558.96 Cr. for FY2021. Resultantly, ROAA improved to 2.57 percent as against (3.98 percent) as on March 31,2021. Net Interest Income (NII) improved to Rs. 1194.32 Cr. for FY2022 from Rs.1065 Cr. for FY2021. For Q1FY23, PAT stood at Rs. 141 Cr up 18.5 percent QoQ and up 118.3 percent YoY, which resulted in a RoA of 3.4 percent for the same period.

While Acuité takes cognizance of various structural and business transformation initiatives undertaken, PFL's ability to grow its AUM in sustained manner while containing asset quality & profitability risks will remain key rating monitorables

#### Competent management team

Post-acquisition of controlling ownership by RSHPL, there have been several changes in the management of PFL. Mr. Adar Poonawalla holds the position of Chairman and Nonexecutive Director of the ten-member Board that includes five non-executive independent directors. PFL's senior management team is led by Mr. Abhay Bhutada, Managing Director, who is a seasoned finance professional with over 15 years of diversified experience in commercial and retail lending domain. He has been instrumental in setting up the initial foray in retail lending business for the group. PFL has inducted experienced professionals across functions, in line with the growth areas identified at group level. Mr. Sanjay Miranka (previously with Aditya Birla Finance) has joined as the CFO. The Group has also onboarded seasoned professionals with vast experience in financial services having worked at reputed financial institutions and banks to head critical functions like credit, business, treasury, risk, technology, analytics, operations, and HR.

Acuité believes PFL will continue to benefit from the expertise and experience of board and management team.

### Established presence in retail financing

PFL commenced its operations in 1989 and over time built long and established presence in retail financing across 21 states in India through a branch network of 242 branches as on March 31, 2022. The consolidated AUM stood at Rs 16,579 Cr. as on March 31, 2022 as compared to Rs.14,225 Cr. as on March 31,2021. For Q1FY2023, the AUM further improved to Rs. 17,660 Cr. with the company disbursing Rs. 3,436 Cr in Q1FY23. The company's established presence in the retail financing has helped it maintain overall healthy asset quality as reflected by Gross Stage 3 and Net Stage at 2.66 percent and 1.11 percent as on March 31, 2022 as compared to 3.7 percent and 1.2 percent respectively as on March 31, 2021. Further, GS3 and NS3 stood at 2.2 percent and 0.95 percent respectively as on June 30, 2022. This improvement in Gross Stage 3 was primarily driven by strong collection efforts with run down of legacy portfolio and superior asset quality of the newly originated book.

Acuité expects PFL to benefit from experience of operating a digital lending platform in Poonawalla Finance Private Limited (PFPL), Poonawalla Group's entry vehicle in financial services business.

#### Weakness

#### Seasoning of new portfolio needs to be observed

PFL looks forward to build the granular portfolio under consumer and MSME finance, accordingly the product suite has been revised. This has resulted into discontinuation of certain existing product lines of erstwhile Magma like commercial vehicle loans and new car loans and addition of some new product offerings. PFL on a consolidated basis disbursed ~Rs. 9,494 Cr. during FY2022 and ~Rs. 3,436 Cr. in Q1FY2023. The consolidated AUM stood at Rs 16,579 Cr. as on March 31, 2022 as compared to Rs.14,225 Cr. as on March 31, 2021. For Q1FY2023, the AUM further improved to Rs. 17,660 Cr. Due to substantial growth in loan book in recent quarters the new portfolio generated has limited seasoning.

### **ESG Factors Relevant for Rating**

PFL is a non-banking finance company (NBFC) registered with the Reserve Bank of India (RBI). Some of the material governance issues for the financial services sector are policies and practices with regard to business ethics, board diversity and independence, compensation structure for board and KMPs, role of the audit committee and shareholders' rights. On the social aspect, some of the critical issues for the sector are the contributions to financial inclusion and community development, responsible financing including environmentally friendly projects and policies around data privacy. The industry, by nature has a low exposure to environmental risks. PFL maintains adequate transparency in its business ethics practices as can be inferred from the entity's disclosures regarding its grievance redressal, related party transaction, fair practice code, whistle blower policy, Anti bribery policy and prevention of sexual harassment policy. The board of directors of the company comprise of 10 directors out of which there's one female director; further, there are five independent directors. The entity has the necessary audit committee, nomination and remuneration committee and corporate social responsibility committee in place. The company is also governed by an information technology framework as recommended by RBI. PFL provides financing to consumers and MSMEs across various tenors, with or without collateral. It continues to work on several community development initiatives through its corporate social responsibility projects.

PFL is subject to standard covenants stipulated by its lenders/investors in respect of various parameters like capital structure, asset quality, among others.

## **Liquidity Position**

#### Strong

The recent capital infusion by Cyrus Poonawalla Group has augmented financial flexibility and liquidity buffers of PFL. The liquidity profile of both PFL and PHFL as on June 30,2022 is well matched with no negative cumulative mismatches upto one year bucket. The company reported liquidity of Rs. 4,654 Cr as on June 30, 2022 on a consolidated basis comprising of cash, cash equivalents and undrawn bank lines.

### **Outlook - Positive**
