Key Rating Drivers

Strengths

Long-standing operations and experienced management

AK Group has established a long presence of around three decades in the civil construction industry and has developed a strong clientele base comprising government departments, National Highways & Infrastructure Development Corporation Ltd., Indian Oil Corporation Limited (IOCL), and Bharat Heavy Electrical Limited, to name a few. The group is managed by Mr. Awadesh Kumar Pathak, who has more than two decades of experience, and is supported by the decade-long expertise of Mr. Suresh Kumar Pathak and Mr. Ramesh Kumar Pathak. Acuité believes that going forward, the growth of the group will be aided by the long track record of operations and the management's strong understanding of market dynamics.

Improvement in scale of operations

The group witnessed an improvement in its scale of operations marked by an operating income of Rs. 1239.39 Cr. in FY2025 as against Rs. 987.39 Cr in FY2024. Further, A K Group has unexecuted order book position to the tune of Rs. 1245.55 Crore approximately as on 31st October 2025, with an OB/OI of 1.01 times, which provides it moderate revenue visibility over the medium term. Though the group's profitability is exposed to volatility in raw material, it has an in-built price escalation clause for major raw materials in most of its contracts. Acuité believes that going forward the group's ability to ramp up operations along with stable profitability will remain a key monitorable.

Acuité believes that going forward the financial risk profile of the group will remain healthy with no major debt funded capex plans.

Efficient working capital operations

The working capital operations of the group are efficiently marked by GCA days which stood at 54 days as on 31st March 2025 against 60 days as on 31st March 2024. There is an improvement in the GCA days due to the debtor days of the group which stood at 46 days in FY25 against 53 days in FY24 and inventory days of the group stood nil in FY25 against 1 day in FY24.
